

**UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY**

UNITED STATES OF AMERICA,

V.

WILLIAM BARONI, et al.,

Defendants.

Crim No. 15-193 (SDW)

**DECLARATION OF HEATHER V. TAYLOR
IN SUPPORT OF MOTION OF
NONPARTY OFFICE OF THE GOVERNOR OF NEW JERSEY
TO QUASH IN PART DEFENDANTS' SUBPOENA *DUCES TECUM***

I, Heather V. Taylor, of full age, hereby declare:

1. I am the Custodian of Records for the Office of the Governor of New Jersey (“OGNJ”). In that capacity, I respond to Open Public Records Act (“OPRA”) requests directed to OGNJ. I specifically search for and review records to determine if they are responsive to the OPRA requests and whether various exemptions or privileges apply.

2. I make this declaration in support of OGNJ’s Motion to Quash In Part Defendants’ Subpoena *Duces Tecum* and to explain OGNJ’s assertion of the deliberative process privilege concerning certain documents demanded by Defendants William Baroni and Bridget Anne Kelly (“Defendants”) in this case.

3. Prior to joining OGNJ in July 2014, I served in the New Jersey Attorney General's Office as a Deputy Attorney General in the Corruption Bureau of the Division of Criminal Justice for one and one-half years. Before entering the public sector, I was a partner at McCarter & English, LLP, where I specialized in complex commercial litigation. I have

appeared in both state and federal courts in New Jersey, Connecticut, and New York. I graduated from Syracuse University in 1992 and from the University of Virginia School of Law in 1995.

4. I understand Defendants have directed a document subpoena to OGNJ. In response to this subpoena, I understand that OGNJ, through counsel, is producing more than 25,000 documents to Defendants, totaling more than 178,000 pages. Concurrently with this production, I understand that OGNJ has provided Defendants with three logs containing details for the 2,821 documents withheld for privilege, 3,071 documents redacted on grounds of privilege (including the attorney-client privilege, attorney work-product protection, and the deliberative process privilege), and 709 documents withheld for confidentiality or personal privacy. Specifically as to the deliberative process privilege, I understand that OGNJ has withheld 2,366 documents and has provided in redacted form 3,049 documents. Attached hereto as **Exhibit A** is a true and accurate copy of the logs, which are also being provided to Defendants' counsel.

5. I was delegated the task of reviewing the fully withheld and redacted documents to confirm the appropriate assertion of the deliberative process privilege for this proceeding. These two sets of documents are described in the logs.

6. I, along with Senior Counsel, James DiGiulio, Esq., who aides me in my daily responsibilities as Custodian of Records for the OGNJ, reviewed every document being withheld or redacted based on the deliberative process privilege. I personally reviewed approximately 60 percent of the withheld or redacted documents, and Mr. DiGiulio reviewed the remainder. In addition, I reviewed a sampling of several hundred documents reviewed by Mr. DiGiulio to ensure that his review of the documents was appropriate. The documents on the privilege log for

which the deliberative process privilege is asserted are pre-decisional and deliberative and properly withheld or redacted, subject to my statement regarding a small number of documents in paragraph 8, *infra*.

7. The following is a representative sample of documents that we have confirmed should be withheld under the deliberative process privilege:

- a. Memorandums and presentations provided for PANYNJ Executive Sessions;
- b. Proposed and draft PANYNJ Budgets and Project Plans;
- c. Daily Briefings for the Governor and Senior Staff;
- d. Internal Memorandum and Communications among and between members of the Governor's Office and other State departments and agencies regarding pre-decisional matters, including disaster relief and public events; and
- e. Draft PANYNJ Resolutions.

8. During my review, I determined that approximately 20 of the documents that were proposed to be withheld on the basis of the deliberative process privilege in the privilege log had recently been produced by OGNJ, in a redacted form, in response to a separate OPRA request. Therefore, redacted versions of these documents, which were previously withheld, will be provided to Defendants' counsel by OGNJ's counsel.

9. OGNJ's purpose in withholding documents under the deliberative process privilege in this matter (and in every OPRA matter) is to ensure that OGNJ is able to continue to have open and frank discussions on matters of policy between subordinates and superiors within OGNJ, and as between OGNJ and other components of the Government of New Jersey and its instrumentalities and other entities, including the Port Authority of New York and New Jersey. The documents over which OGNJ has claimed this privilege in this matter are deliberative and

pre-decisional because they are part of the process under which OGNJ and other New Jersey officials develop final government positions.

10. Because the primary function of OGNJ is to analyze, review, deliberate, and recommend to the Governor actions related to law and policy matters concerning the State of New Jersey, these documents must be protected from public disclosure under this privilege. Disclosure of documents subject to the deliberative process privilege would chill the free and open discussion of policy options and decisions OGNJ is considering or has considered in the past and would cause public confusion about the reason for OGNJ decisions.

11. Staff persons involved in the subject deliberative communications do not have authority to make final decisions on the matters under discussion. Staff discussions, evaluations, or recommendations expressed in the documents at issue have no official or binding effect, and are not treated as authority or precedent in other matters under consideration. Staff discussions, evaluations, or recommendations may be considered by the relevant OGNJ officials before rendering a decision, but they can be freely rejected by decision-making officials.

I declare that the foregoing statements made by me are true to the best of my knowledge, information and belief. I am aware that if the foregoing statements made by me are willfully false, I am subject to punishment.

Executed on this 28th day of April, 2016 at Trenton, New Jersey.
